Jamilia is the heroine of the classic Kyrgyz novel about a young woman who, having been forced to marry, fled with her lover. Fifty years later, the director meets several generations of Kyrgyz women, resulting in portraits reflecting both the novel's candour and the strength of today's Jamilias. One of the scenes in the novel is a summer meeting of the nomads, about half of whom are from north of the Oxus River, in what had become the Soviet Union. So, I decided to read a book from a country north of that river, "Djamilia" which is set in 'one of the stans', specifically Kyrgyzstan, truly in the very heart of Asia.
