Game Localization Handbook Heather Maxwell

The Game Localization handbook focuses on management and planning, and less on the translation aspects. So if you are looking for the latter this may not be for you. For the former, it gives a very clear overview and example schedules. Procedures will vary by company, but this book gives a good skeleton outline.

The Game Localization Handbook: Chandler, Heather Maxwell ...

Authored by two internationally known experts in game localization, The Game Localization Handbook, Second Edition provides information on how to localize software for games, whether they are developed for the PC, console, or other platforms.
