Heritage

It is a bubbling cauldron of law mixed with ethics, philosophy, politics and working principles looking at how cultural heritage law, policy and practice should be sculpted from the past as the present becomes the future. Art and cultural heritage are two pillars on which a society builds its identity, its values, its sense of community and the individual.

Laws, Policies, and Strategies. Cultural resources are a fragile, limited resource with potential public and scientific uses. They are an irreplaceable part of our Nation's heritage. Management of cultural resources on the public lands is primarily determined by the Federal Land Policy and Management Act of 1976 (FLPMA).
