### Macroeconomics Study Guide and Workbook: 9780761773399 ...

Macro was a tough class, and this book helped me study for exams. I got an A in the class, largely thanks to using the workbook. The textbook has study questions, but no answers, so there's no way to check your understanding. The workbook has answers for almost every question, so it helped me identify which content I was weak on.

### Macroeconomics Study Guide And Workbook Kaufman|

Macroeconomics. The prefix macro means large, indicating that macroeconomics is concerned with the study of the market system on a large scale. Macroeconomics considers the aggregate performance of all markets in the market system and is concerned with the choices made by the large subsectors of the economy—the household sector, which includes all consumers; the business sector, which includes all firms; and the government sector, which includes all government agencies.
