### The Formation Of European Policy

The European Union is a geo-political entity covering a large portion of the European continent. It is founded upon numerous treaties and has undergone expansions and secessions that have taken it from 6 member states to 27, a majority of the states in Europe. Apart from the ideas of federation, confederation, or customs union such as Winston Churchill's 1946 call for a "United States of Europe", the original development of the European Union was based on a supranational foundation that would "m

With riots and civil unrest metastasizing across the United States, the president declared he intends to designate Antifa as a terrorist group. Predictably, the talking heads rushed out to declare that Antifa doesn't really exist, and even if it did the president couldn't possibly target it using that legal designation. They argue Antifa is an amorphous blob of discontents, not a ...
