Work Schedule Dot Net has been a great success for our business. We started an outbound call center from scratch, and we needed help keeping up with all the new interviewers and new projects we had coming in. We tried manual systems and some other schedule programs, but Work Schedule Dot Net was easily the best option.

## **Work Schedule**

Once you have decided which tool you want to use, prepare your schedule in the following way: Step 1: Identify Available Time. Start by establishing the time you want to make available for your work. How much time you spend at work should reflect the design of your job and your personal goals in life.

The more flexible your plan and schedule, the better you'll be able to switch gears as circumstances unfold. Communicate your work plan effectively. If your team knows what is expected of them, they'll be able to complete work on schedule, and if they don't understand the timing and expectations, they'll just be flying blind.
